Connor James Memorial Scholarship

April 20, 1997 – April 1, 2016

The Connor James Memorial Scholarship honors the memory of Connor Joel James. Connor was a very curious, creative and independent young man. School came easily to him and while he didn't like to read, he was always finding new ways to learn and explore the world around him.

Connor had a contagious smile, diverse sense of humor and a magnetic personality. He was deeply caring, tenderhearted and possessed a quiet strength that made those around him feel loved and important.

This memorial scholarship will honor the example he gave to all of us and will be used to support the academic and life goals of a fellow Sprague Olympian.

Connor attended Sprague High School, where he participated in Youth Legislature, the Debate Team and in the fall of 2015 realized one of his dreams by entering the University of Oregon to study biology

Connor had many passions, but his love and aptitude for lacrosse was at the forefront.

Connor started playing lacrosse at age 11 and finished his lacrosse career in his senior year as captain who led his team to the state playoffs and earned 1st Team All Conference Honors.
