Guido Caldarazzo Memorial Scholarship

The Guido Caldarazzo Memorial Scholarship honors the memory of Guido Caldarazzo. Like many people, Guido was determined to make the world a better place. Unlike some, he succeeded. The scholarship is financed by all those who loved, supported, and benefited from his energy and patience, and who continue to love and support his family.

We know that Guido's life was dedicated to children, families, education, and public service. His commitment to them was passionate and generous, but carried out firmly and with grace. Memorialized at his service, were the countless examples of how lives were changed by Guido's attention and intention.

This memorial scholarship will now institutionalize the example he gave to all of us and will be used to support the academic goals and aspirations of students particularly those who may have been impacted by the consequences of the methamphetamine plague.

As a teacher Guido taught biology and social studies. He served as vice principal at McKay and Sprague high schools; served as principal at McKay and West Salem and South Salem high schools, Blanchet Catholic School in Salem and Taft High School in Lincoln City; and was athletic director at North Salem High School.

Public Service: Facilitated committee that created the Methamphetamine Strike Force; member of the board of the Marion County Children and Families Commission; 2006 campaign co-chairperson for the United Way of the Mid-Willamette Valley.

He was married to Gayle for 44 years and is survived by two children and their spouses; and five grandchildren.
